

### **TeamSnap ASA Registration Guidebook**

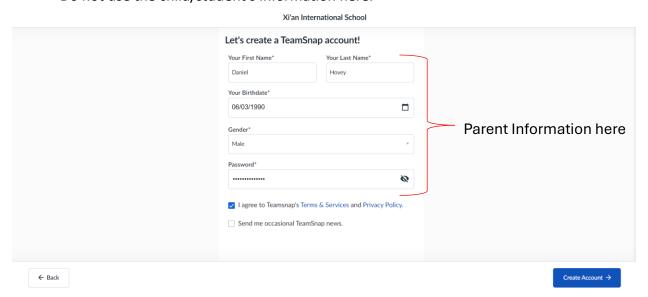

Updated Monday, August 5, 2024

#### **START**

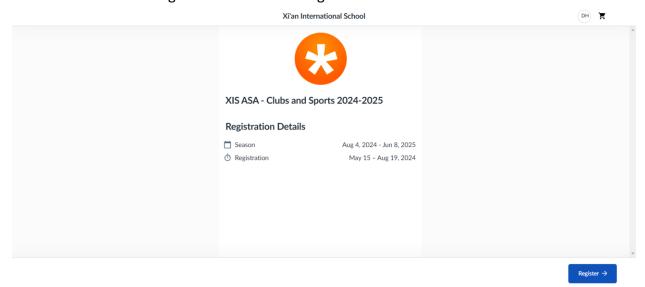

1. You will receive a link via email or WeCom – that link will take you to the page show below to register for after school activities – Sports and Clubs. Please use your email address for the registration, not a child's email address.

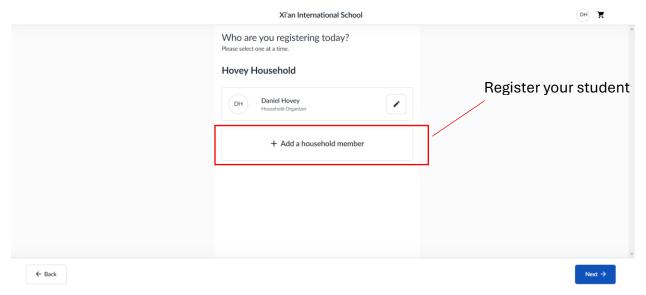

2. The next page is for you (the parent/guardian) to complete with your information. Do not use the child/student's information here.

3. The next page gives you the basic information for this year's ASA Registration. You can click "Register" in the bottom right corner.

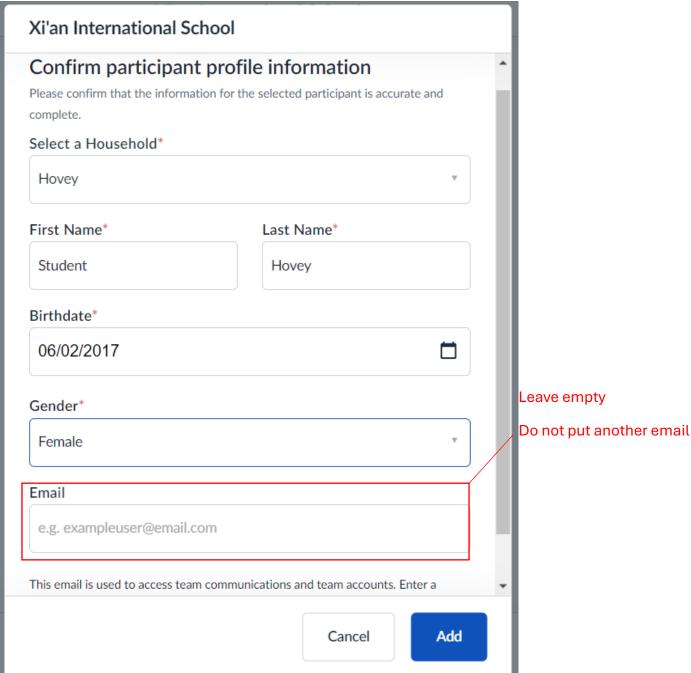

4. You have now registered yourself as the parent. The next page is where you add your child/children. Choose the "+ Add a household member" and then click "Next."

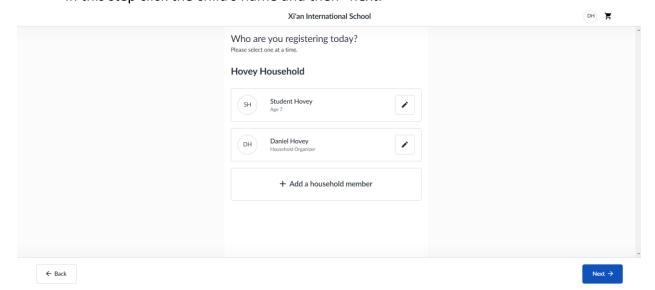

5. The page shown below is where you add all of your child/student's information. The bottom "email" section can be skipped – it is not necessary for all children to have email addresses).

When complete click the "add" button.

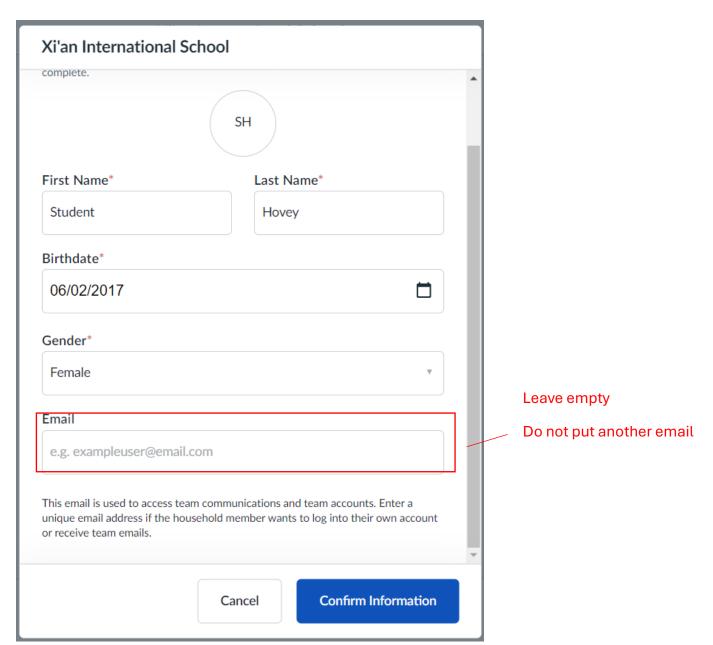

6. Now, you should see your (parent/guardian) name above "household organizer" as well as your child's name with their age.
In this step click the child's name and then "next."

7. This page is for you to confirm the child/student information. You do not have to make any changes and still should not add an email address.

Simply click "Confirm Information" and continue to the next page.

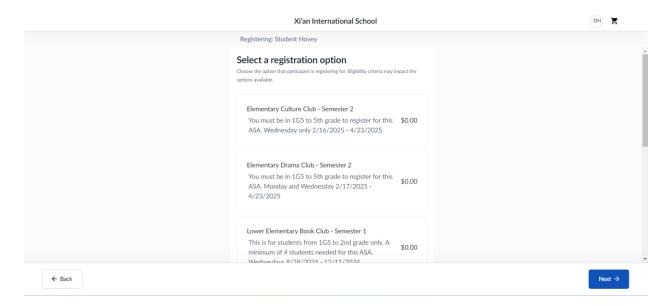

8. This is the first page where you can read about and choose the ASA (Sports or Clubs) that your child wants to attend.

You can only choose one ASA at a time.

Only the sports or clubs that your child is able to register for will show.

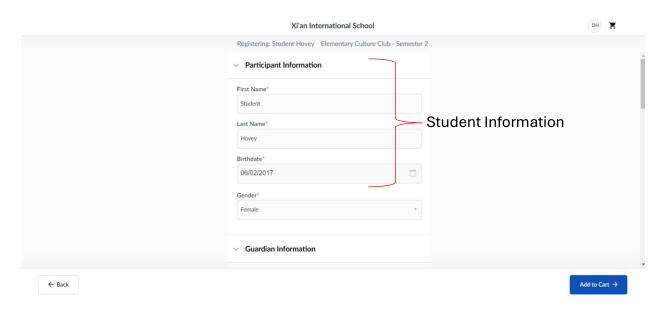

Click on the first option that your student is interested in and click "Next."

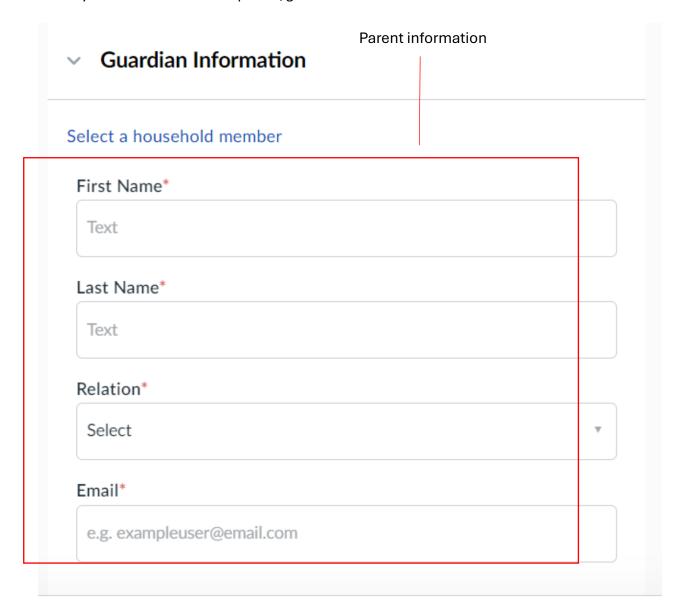

9. The next page has two sections that must be completed.

The first section is "Participant Information."

This is the student/child information.

10. Below the participant info is the "Guardian Information." This is your information as the parent/guardian.

11. At the bottom of the page is a list of questions that you should answer about your student. In this list there is question about if you would be willing to volunteer to help with an ASA.

If too many students register for an ASA there will be a "wait list" and your student cannot participate until another adult volunteer joins the ASA.

This is to help us be sure your student is getting the maximum amount of attention and teaching time possible.

You must click the blue text "Sign" on each of the forms individually.

#### 16. Here is an example of the form:

## Parent Permission Form: 2024-2025 School Year

X

I, the undersigned, have read and accepted the rules, policies, and procedures which govern my child while he/she participates in After School Activities provided by Xi'an International School.

I hereby commit to the fulfillment of any and all, time requirements and expectations for participation in these After School Activities (ASAs).

I agree to uphold the rules and follow the procedures in both the Xi'an International School ASA Student Handbook and the Xi'an International School Student Handbook. Additionally, I agree to cooperate with the coaches, advisors, and Event Manager in the fulfilment of the purposes and policies of XIS After School Activities and Xi'an International School.

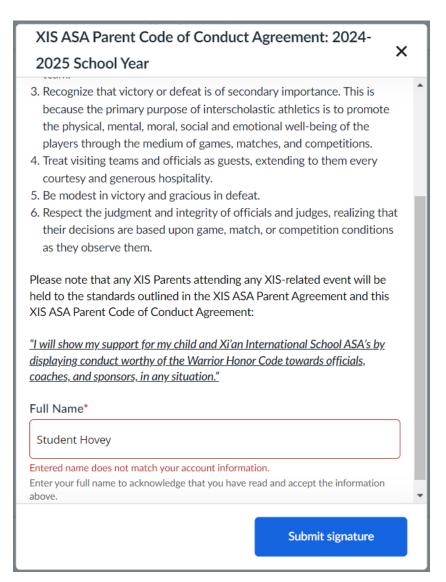

If participating in sports, I understand the expectation of playing time based on my child's particular level of competition and will respect the decisions of his/her coach(es) based on these philosophies.

I agree to use the procedures in the Xi'an International School ASA Student Handbook to resolve concerns with a coach(es) or sponsors. In addition, I will show my support for my child and
