## **After School Activity Overview**

Thank you so much for your interest in participating in Xi'an International School's After School Activities for the 2024-2025 school year! We are so glad your family is a part of our school and look forward to partnering with you to contribute to your child's holistic development through our After School Activities!

In this catalog is general information about our After School Activities. For XIS After School Activity policies, procedures, and expectations, please consult this year's XIS After School Activity Student Handbook.

This year's After School Activities theme will be "Connection."

Learning and growing in today's world can be challenging. It is true that there seems to be more resources than ever to help us in life's journey. However, with so many voices and influences surrounding us, it can be difficult to focus and follow our interests. One thing is certain: the need to connect with community is greater than ever.

At XIS, we recognize the importance of connection for each student. It is our goal as ASA Advisors and Coaches to foster the learning and growth process through relevant, age-appropriate connections. We understand that when these connections are made, amazing things can happen in the classroom and in our community!

We invite you now to join us in our After School Activities this year as we engage and empower lifelong learners and tomorrow's leaders!

Go Warriors!

Mr. Douglas Burks  
XIS Event Manager

## **ASA Registration Updates 2024-2025**

Hello XIS Families,

We are so thankful to offer After School Activities at XIS. In acknowledging our growth of offerings through the WASC accreditation process, our school saw a need to update our ASA registration process. Therefore, we have decided to partner with TeamSnap for the 2024-2025 school year.

TeamSnap is an integrated online tool where families can do all of the following:

1. Register their children for ASAs
2. See all practices, games/matches, events for all ASAs
3. Sign up to receive updates for event changes and/or cancellations

Through this new system, families create a family account and add each child wanting to participate in ASAs for the 2024-2025 school year. These family account names remain in our school's TeamSnap through the year and even beyond for easier future registrations.

### **New ASA Website**

Our new ASA website is open and accessible. There are still some pages being worked on so we thank you for your patience. Please [CLICK HERE](#) to visit our new ASA website!

### **ASA Registration Information**

Our ASA Registration Information is in one easy to access place!

[CLICK HERE](#) to visit our webpage for a step-by-step ASA Registration Process.

Please make sure to follow each step for ease of use.

The ASA Registration Deadline is Monday, August 19 at 16:00!

If you require translation, feel free to use your preferred translation app.

Once registration is completed, you will receive payment information and instructions from the XIS Finance Office. For the 2024-2025 School Year, the ASA Activity Fee will be **900 RMB** for **one semester** or **1,600 RMB** for the entire **school year**. Once the ASA Activity Fee is paid, it will apply to the entire semester or year. ASA Activity Fees are non-refundable. If you or your family requires financial assistance to pay the ASA Activity Fee, please contact the XIS Finance Office via email at [finance@xischool.com](mailto:finance@xischool.com).

### **ASA Roster Limits and Parent Volunteers**

Please note that all ASAs now have roster limits for registering students. These can be found in our ASA Catalog through the ASA Registration Information link above.

If a student is registered for an ASA that has exceeded its roster limit, the student will be placed on a wait list. A student may only be lifted from a waitlist if another adult advisor/coach is added via a parent volunteer. Please note that due to conference and tournament requirements, waitlists for certain team sports may not be able to be lifted.

There are currently some ASA positions open for Parent Volunteers. If you are interested in becoming an ASA Parent Volunteer, please send an email the XIS Office at [office@xischool.com](mailto:office@xischool.com).

We are so excited about the 2024-2025 School Year and all the possibilities in store! We have received very insightful feedback from our Stakeholder Surveys regarding this school year's ASAs. As a reminder, 2024-2025 ASA Registration is now open!

Thank you so much for your support and Go Warriors!

## **XIS Warrior Fund**

Xi'an International School After School Activities all began with a dream. The dream was to develop a Physical Education program that benefited XIS students. With this dream, XIS Athletics expanded to include Volleyball, Basketball, Soccer, and Table Tennis. Now, XIS Athletics grew even further to become XIS After School Activities which includes sport teams as well as academic clubs.

In honor of our staff and volunteers' dedication to continuing our After School Activities an Athletics Scholarship Fund was created. In order to continue in the spirit of its mission while recognizing the growth of XIS, the fund has since been renamed the XIS Warrior Fund.

At XIS, we believe that every student should be provided the opportunity to participate in ASA's, regardless of their ability to pay. The XIS Warrior Fund is designed to financially assist and help students have opportunities to participate in XIS After School Activities. Additionally, financial gifts may also be used for facility, equipment, and other improvements across all our ASA programs.

If you would like to provide a financial gift, sports, or other equipment to the XIS Warrior Fund, please email our Finance Office at [finance@xischool.com](mailto:finance@xischool.com)

If you are interested in your child participating in our After School Activities, but require financial assistance, please email our Finance Office at [finance@xischool.com](mailto:finance@xischool.com).

**Thank you so much for reading the XIS After School Activity Catalog!  
For any further questions or inquiries, please contact the Student Activities  
Coordinator, Douglas Burks at [doug.burks@xischool.com](mailto:doug.burks@xischool.com).**
