After School Activity Overview

Thank you so much for your interest in participating in Xi'an International School's After School Activities for the 2025-2026 school year! We are so glad your family is a part of our school and look forward to partnering with you to contribute to your child's holistic development through our After School Activities!

In this catalog is general information about our After School Activities. For XIS After School Activity policies, procedures, and expectations, please consult this year's XIS After School Activity Student Handbook.

This year's After School Activities theme will be "Purpose."

Learning and growing in today's world can be difficult. In the world of sports and academia, so often there is a tension between growth and success. At XIS, we embrace this tension. For Warriors, "success" and "winning" are defined by the growth a person experiences.

While "success" and "winning" are not bad things, they can become the sole purpose of an activity. Our community recognizes that winning is a very exciting result, but it cannot be the MOST important result. We believe that the purpose of co-curriculars is to help students experience positive growth no matter the activity. By engaging with this purpose, we actively engage with and care for the well-being of our community.

We invite you now to join us in our After School Activities this year as we engage and empower lifelong learners and tomorrow's leaders!

Go Warriors!

Mr. Douglas Burks, XIS Event Manager

ASA Registration Updates 2025-2026

Hello XIS Families,

We are so thankful to offer After School Activities at XIS. For this upcoming year, we have decided to continue our partnership with TeamSnap for our ASA registration process.

TeamSnap is an integrated online tool where families can do all of the following:

1. Register their children for ASAs.
2. See all practices, games/matches, and events for all ASAs.
3. Sign up to receive updates for event changes and/or cancellations.

Through this system, families create a family account and add each child wanting to participate in ASAs for the 2025-2026 school year. These family account names remain in our school's TeamSnap through the year and even beyond for easier future registrations. If you have a existing XIS TeamSnap account, your child's information is already contained in our system.

Once registration is completed, you will receive payment information and instructions from the XIS Finance Office. For the 2025-2026 School Year, the ASA Activity Fee will be **990 RMB for one semester or 1,980 RMB for the entire school year**. Once the ASA Activity Fee is paid, it will apply to the entire semester or year. ASA Activity Fees are non-refundable. If you or your family requires financial assistance to pay the ASA Activity Fee, please contact the XIS Finance Office via email at finance@xischool.com.

ASA Roster Limits and Parent Volunteers

Please note that all ASAs have roster limits for registering students. These can be found in our ASA Catalog through the ASA Registration Information link above.

If a student is registered for an ASA that has exceeded its roster limit, the student will be placed on a wait list. A student may only be lifted from a waitlist if another adult advisor/coach is added via a parent volunteer. Please note that due to conference and tournament requirements, waitlists for certain team sports may not be able to be lifted.

There are currently some ASA positions open for Parent Volunteers. If you are interested in becoming an ASA Parent Volunteer, please send an email the XIS Office at office@xischool.com.

We are so excited about the 2025-2026 School Year and all the possibilities in store! We have received very insightful feedback from our Stakeholder Surveys regarding this school year's ASAs. As a reminder, 2025-2026 ASA Registration is now open!

Thank you so much for your support and Go Warriors!

At Xi'an International School (XIS), we believe that education extends beyond the classroom. Our ASA Programs are a vital part of our school's mission to cultivate excellence by actively engaging and caring for the well-being of our community.

Each year, our school is privileged to offer a wide range of ASAs for our students. From sports to the arts, every activity is aimed to help students learn and grow by embracing the 5 XIS School-wide Learner Outcomes.

At XIS, we believe that every student should be provided the opportunity to participate in ASAs, regardless of their ability to pay. We also believe that a high-quality ASA experience can positively impact a student for a lifetime. The XIS Warrior Fund is designed to support both of these goals.

How You Can Help:
